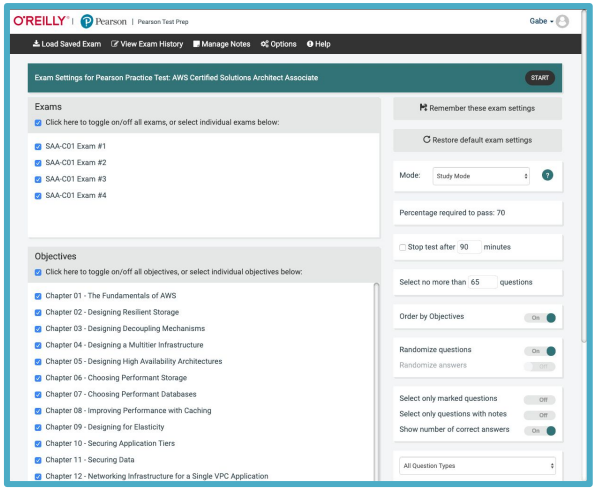
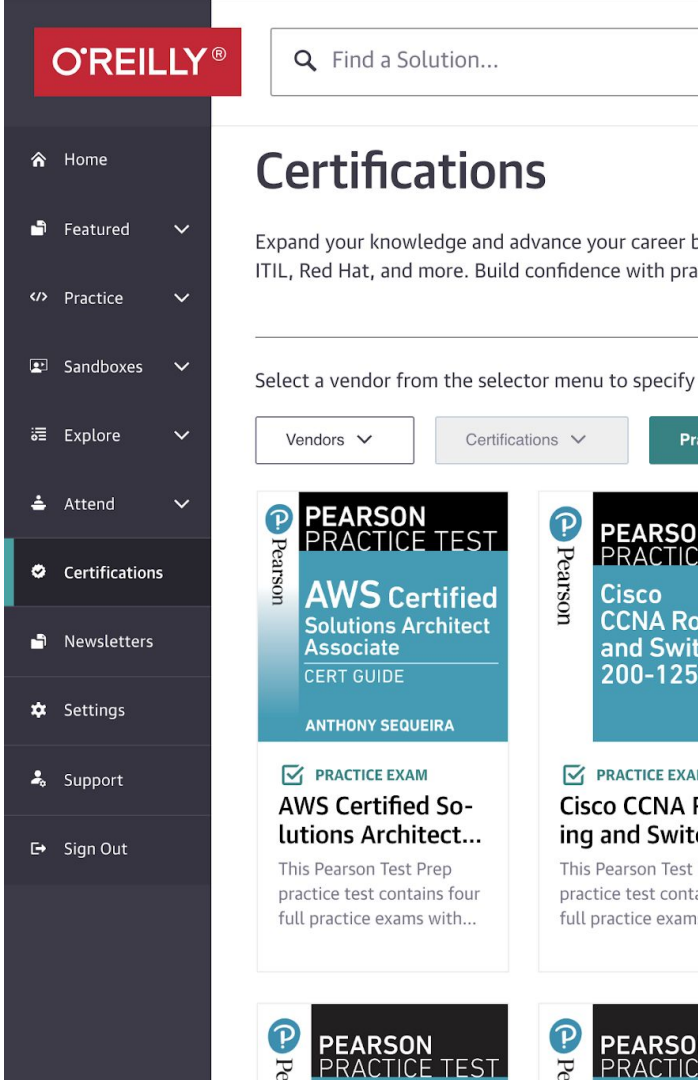
Pearson Practice Tests

O'Reilly and Pearson have partnered
to bring you interactive test prep

- Hone your prep with a customizable format–not a static test sitting in a book
- Boost confidence by taking a simulated, timed test
- Three helpful modes: Study, Flash Cards, Practice Exam



To see more, select **Practice Exam** from the **Formats** filter at:
https://learning.oreilly.com/certifications/



Certification Guides

A direct path to just the materials you'll need

Each guide contains:

- **Official prep materials**, many of which are directly from the vendors themselves
- **A variety of content formats** – self-paced books to instructor-led videos, so you can learn at your own pace
- **Interactive practice tests** that verify when you're ready to sit for the real exam

To see more, select **Certification Guide** from the **Formats** filter at:

Pearson Practice Tests

O’Reilly and Pearson have partnered to bring you interactive test prep directly through your O’Reilly online learning account

- Ideal for early baselining and leveraging as a study aid.
- Hone your prep with an interactive and customizable format (not a static test sitting in a book)
- Boost confidence by taking a simulated, timed test
- Three helpful modes:

Study Mode:	Provides immediate access to study concepts. ● answers for each question ● full explanation for each question ● option to NOT time yourself (study at your own pace) ● aids as study guide and lets you evaluate for mastery
Practice Exam:	Use this mode to take a simulated practice exam that is timed.
Flash Cards:	Provides the questions WITHOUT multiple choice answers for a true test of your mastery.

To see more, select **Practice Exam** from the **Formats** filter at:
